FISH STORIES

Keywords are the Key

7 Step 7

The Fish Stories Archive uses search terms and keywords to tag your file and look it up at a later date. This is a very important part of the process, so take your time and think about what you would like to include.

Name of person submitting audio file:

Date:

Location (City, State):

Tell us who is mentioned in the story (First and Last name).

Describe what your story is about in two sentences or less.

Title of your story (Example: How John met his lifetime fishing partner Lois)

Basic Keywords (Fishing style, species, family/friends, veteran, time of year, etc):

Location Details (Names of places relevant to story. Cities/States, bodies of water, lodges/resorts/restaurants, etc)

Groups/Partners (If you are affiliated with any groups/organizations relevant to this story)
